Wed/Library, Thurs/Art,  
Fri/Music

## Our Learning

Welcome to Room 4! This year will be an exciting year of learning. We will begin the year by establishing routines and building a classroom and school community. We will do lots of reading and writing using the Daily 5 model. Basic facts and composing & decomposing numbers will be our beginning math focus. Although we will not have a face to face Open House, I am excited to be working with you all!
